

TRANSFORMATIVE LEADERSHIP AND CHANGE MANAGEMENT WORKSHOP

Governor Eng. John Mruttu has officially opened a two day transformative leadership and change management workshop sponsored by United Nations Development Programme, Kenya School of Government in collaboration with the Taita Taveta County Government, in Sarova Salt Lick.

The Governor has said 27% of Taita Taveta residents are classified as poor hence told the participants to be ready in going an extra mile in providing services to County residents as per their real needs, as opposed to perceived needs.

"It can no longer be business as usual, as officers in my government carry out their daily duties of providing services to our citizens. The new skills you acquire today should enable you work smarter, more effective and at a faster pace", said Mruttu.

Among those attending the workshop are H.E the Deputy Governor, Madam Mary Ndigha Kibuka, County first lady Hope Mruttu, County Executive Committee Members, County Chief Officers and County Directors.
